PROFILE

I am a current student at Clovis East High School graduating in 2025. I am in search of a part time job where I can grow with much success and provide help to the company I work for.

Synchronously, I am a student at the Center for Advanced Research and Technology (CART) in the Web Applications lab to explore my ability in coding.

SKILLS

- Web Design
- Design Thinking
- Wireframe Creation
- Front End Coding
- Problem-Solving
- Computer Literacy
- Hard working
- Strong Communication

EXPERIENCE

VOLUNTEER WORK

2022 - Present

Membership in CSF and the Key club. CSF, or the California Scholarship Federation is a college oriented club that provides info and chances for scholarship applications as well as trips to visit certain colleges. Key Club is a volunteer oriented club that provides chances and events to give back to the community.

EDUCATION

Clovis East High School
Expected Graduation Date:
May, 2025

Center for Advanced
Research and Technology:
Web Application
Development

ONE OTHER THING

To put it simply, I want to thrive in self development and personal growth along with increased ability in hobbies, skills, and responsibilities. I have interests in gaming and a tremendous love for music, usually aligned with rock genres. I avidly enjoy art and following more obscure artists online, analyzing a piece and speculating on their design process.
